Serial No. 09/810,474

**REQUEST FOR NEW OFFICE ACTION AND
RESET OF STATUTORY RESPONSE PERIOD**

Commissioner for Patents
Washington, D.C. 20231

March 20, 2003

Sir:

In a telephone conversation with Examiner Angebranndt, Applicants' representative learned that an Office Action was mailed February 20, 2003 in the above-identified application. Applicants' representative obtained a fax copy of the Office Action mailed February 20, 2002 from the Patent Office.

Applicants' representative hereby states that the Office Action was never received and a search of the file jacket and docket records of Applicants' representative indicate that the Office Action was not received. Enclosed is a copy of the docket record for the above-identified application where the non-received Office Action would have been entered had it been received and docketed.

RECEIVED
MAR 21 2003
TC 1700 MAIL ROOM

The copy of the docket record indicates that a response to a Notice to File Corrected Application Papers was due on August 11, 2001. The copy of the docket record also shows that the Response to the Notice to File Corrected Application Papers was filed on August 13, 2001. No further entries have been made in the docket as would have occurred in the ordinary course of business if the Office Action had actually been received.

Also enclosed is a copy of the undersigned firm's Mail Log from February 20, 2003 to March 19, 2003. Under the Mail Log heading "Delivery Type", those documents classified as "PTO" correspond to documents received by mail from the U.S. Patent and Trademark Office. The headings "FED EX", "AIR MAIL", "PRIORITY MAIL" and "DHL" correspond to mail from other sources. This Mail Log reveals that nothing was received by mail having the Docket No. "ASA-991", corresponding to application Serial No. 09/810,474.

It is noted that the Office Action bears the incorrect former mailing address of the Applicants' representative. A Change of Correspondence Address was filed on March 13, 2003 to update the records of the USPTO.

Accordingly, having received no forwarded Office Action or telephone indication from the USPTO, it appears that the

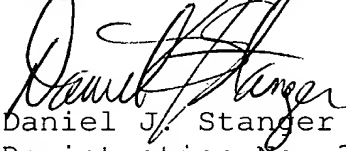

Serial No. 09/810,474

ASA-991

Office Action was lost in the mail. The Applicants, therefore, request that the Office Action and cited references be remailed with a reset statutory period of response to coincide with the new mailing date of the Office Action.

Although no fee is believed to be necessary with this communication, the Commissioner is hereby authorized to charge Deposit Account No. 50-1417 for any fees that are deemed necessary.

Respectfully submitted,

Daniel J. Stanger
